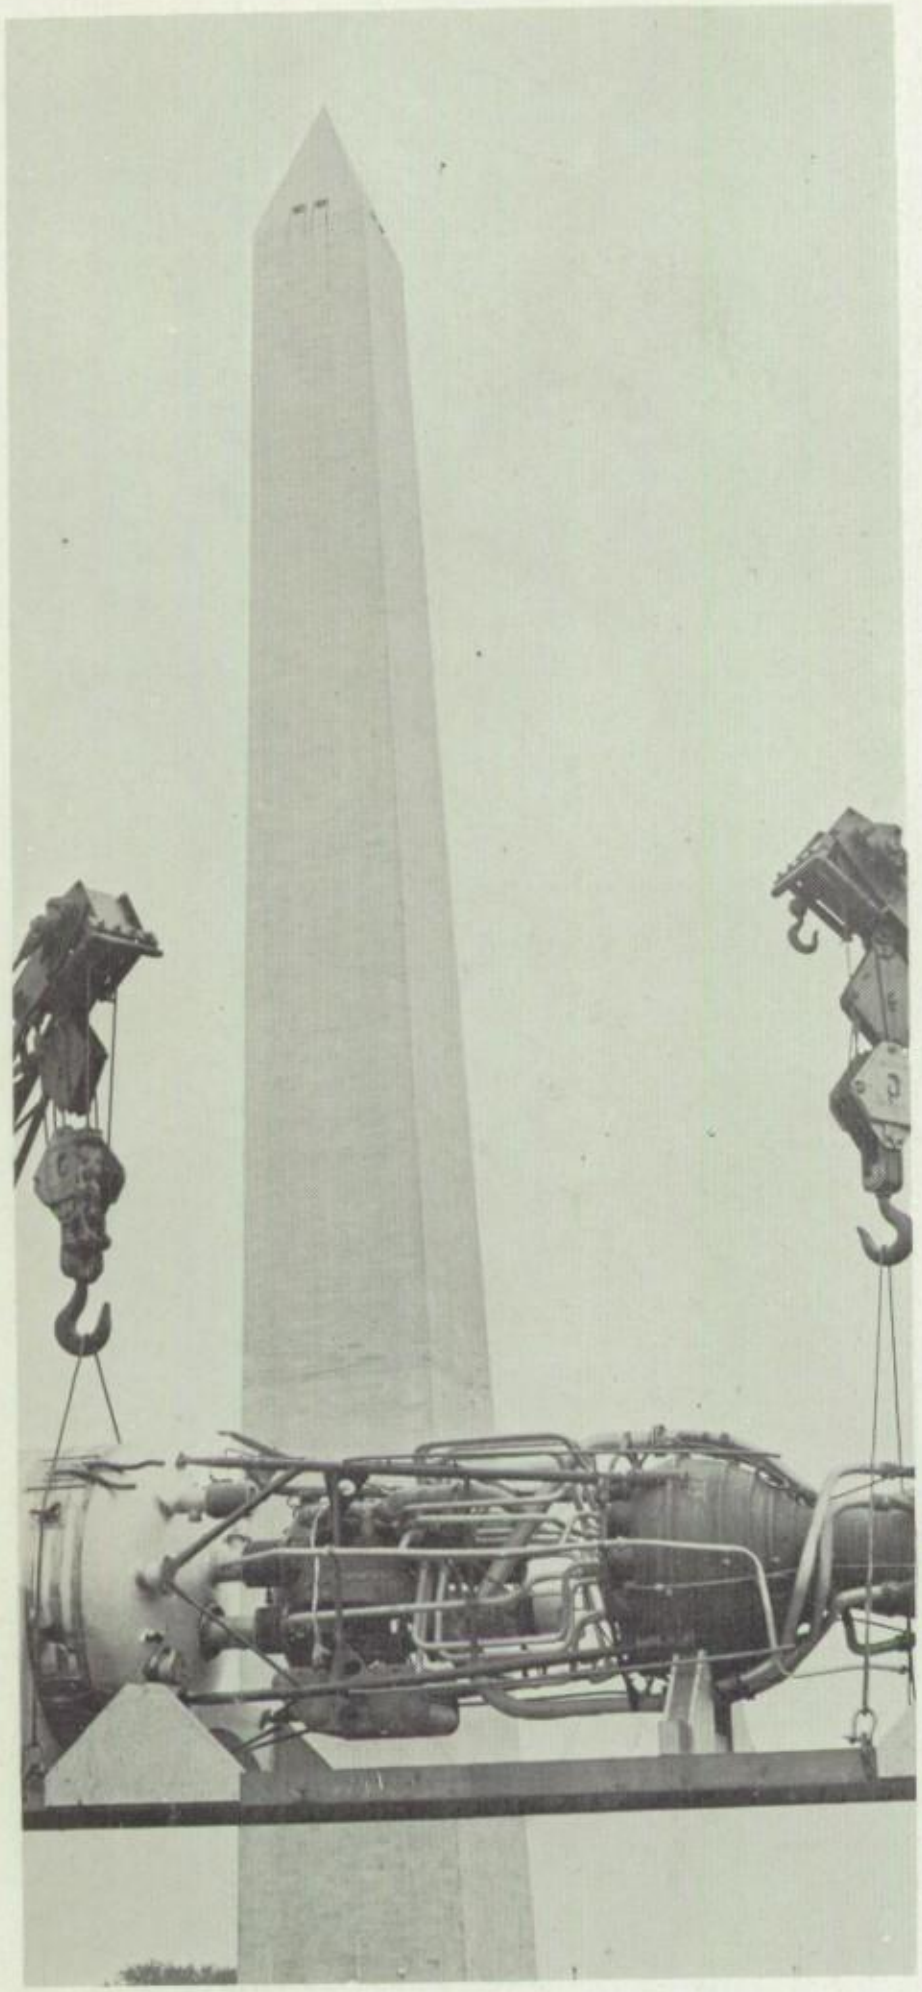
The Ormazd

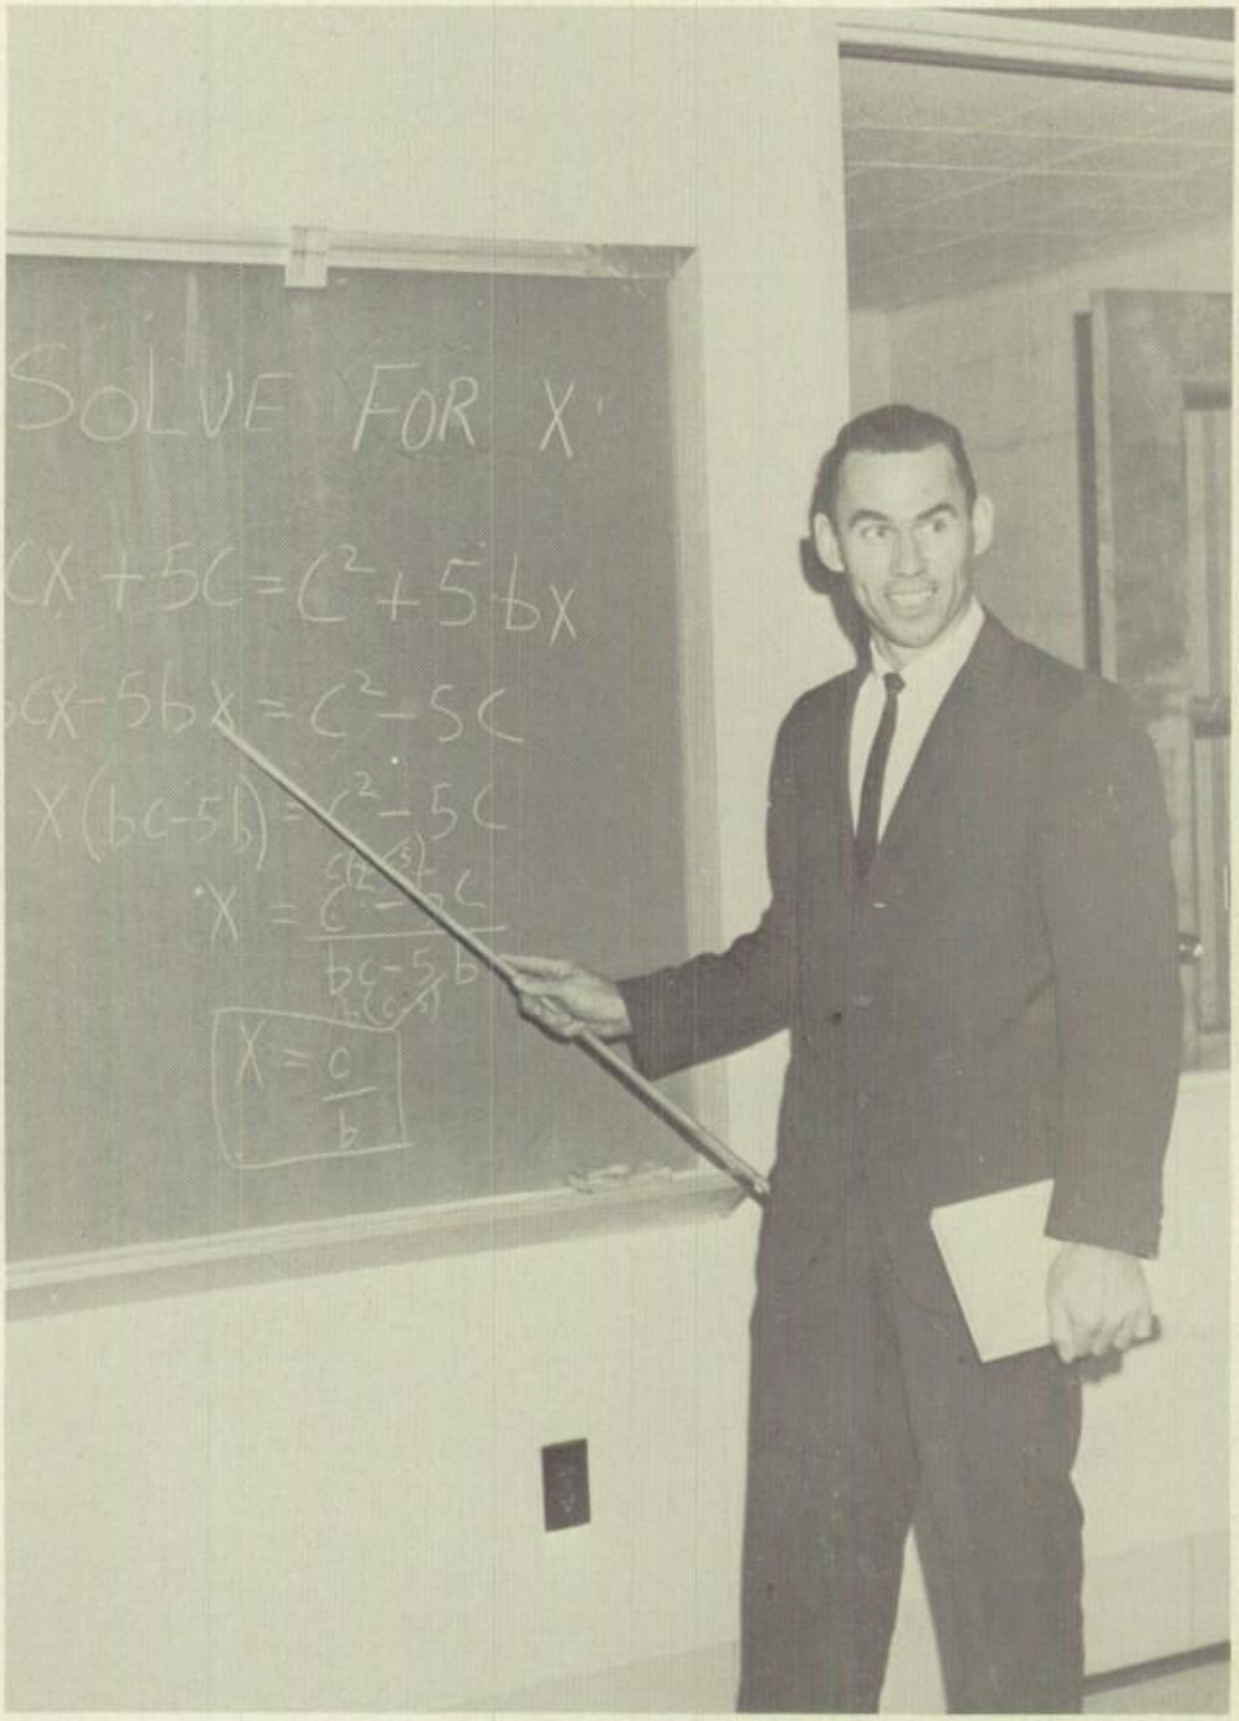


Connie,

I have really truly enjoyed your friendship all my life. You are my favorite cousin and I hope you have enjoyed my friendship half as much as I have yours. As I write I remember all the fun we ~~had~~ have had together. Remember all those secrets we have had and the ones especially that we will never tell anyone else. Remember all those exciting times we have been through together, like those rides! WOW! Connie your friendship has meant more to me than words can express. I know I shall always remember you no matter what happens. Stay the way you are with that most charming personality and friendly smile. May God bless you and give you the very best of luck anyone could have because you deserve it!

DEDICATION

A friend always
Ruthann
(your Cousin)



For four years he has been patient with us;
he has given to us guidance and assistance;
he has shown a deep loyalty toward our school;
he has put forth a sincere effort on our behalf;
he has shared with us his wonderful personality;
he, Mr. Jackson, is the one we the Ormazd Staff
have chosen to receive the 1964 dedication.

Connie,

I wrote once, but I feel like writting again. I wanted to remind you of the 6th Grade and all of the fun we had! Remember when Ray L. left? I was the most saddest girl in the 6th Grade. But the boys in our room helped cheer us up! (Remember?) Remember when we would go down in the woods in the 7th Grade on those field trips! Wow! I'll always remember when Mrs. Shirell would let us go in the closet, and play! Remember when we put on that play for all the rooms! I was scared stiff! I don't know if you was in it or not. But we've had fun this year too!

I remember in the 8th grade when I spent the week-end with you, when we went over to Cape and X-mas shopped! Remember that boy that waved. We named him Harrison. He was a living doll! And I mean Wow!

Remember when David came here, the last of the 7th Grade? Man I really fell for him!

I used to get mad at Shellie when David would sit with her in History But I really was disappointed when David moved.

Rember (sorry) when Jay and Bil came to our Freshman Party at x-mas? Boy I do! The ball games was the most fun though! I just wish we would have one our game at the Tournament at Charleston! I missed the bus when we was all coming home. And I had to ride the second bus. I cried & cried, because I was afraid that my brother would go off and leave me! Boy I was scared to death. I would have [illegible] if you could have [illegible] I was around with Shellia But that wasn't you! I don't know much else to write seeing I've wrote all most 2 pages! Connie I want to tell you again that I really don't know what I'd do with out a friend as sweet and as dear as you! May what ever your career be, be one that will make your life successful

This year has been a challenging year for the sponsor of the ORMAZD to try to improve on the fine edition of the past year. Some of the things that make young men and women go forward in life are these daily challenges they encounter. I know with the fine faculty and facilities you have had to work with at Zalma High this year, these goals have been achieved.

To the graduating class of Zalma High School, I wish for you a successful future in any task you may undertake.

And The Years Pass

In the fall of 1960, 44 "green" freshmen entered Zalma High School. Some of them finally became the seniors of 1964.

As freshmen we participated in some of the activities of school. Jerry Pickett, Shannon Cooper, Mike Pape, Kenny Lambert and Donald Rush from our class displayed their skills in playing basketball that year, and all but Donald also played volleyball. Girls, of course, also took part in athletics. Janice Lingle, Freida Grant, Lecie Howard, and Vernie Stevens became members of the girls' volleyball team. Janice Lingle and Sandy Shell were cheerleaders.

Blenda Watkins, Judy, Ann Nall, Janice, Lecie, Vernie, Sharon Hinkle, Patty Wyckoff, Janice Whittenburg, and Freida blended their voices in the girls' chorus while Eugene Nall, Marvin Burger, Omar Shipley, Darell Bohnsack, Don Dirck, and Harold and Carroll Payne contributed their musical abilities to the boys' glee club.

Those participating in band were Freida, Sandy, Don, and Darell.

Our class was well represented in the various clubs. Freida, Sharon, and Patty met the scholastic requirements for membership in the Beta Club. Janice Lingle, Nora Baker, Dorothy Loyd, Evanell Hornbuckle, Patty, and Sharon joined the Librarians' Club. Freida, Judy, Sandy, and Janice Lingle elected the Pep Club.

Our ORMAZD candidates that year were Wynona Massey and Jerry Pickett.

One of the highlights of our freshman year was the trip of our citizenship class to Jefferson City.

During our freshman year, Janice Whittenburg, David and Paul Bowie, Glenna Camden, Eugene Nall, Jim Morgan, Barbara and Lorene Kilburn, Shirley Carter, Virginia Back, Darrell Garner, and Benny Conder quit our ranks.

As sophomores we began the year with 38 members, Leo Goolsby and Pat Griffet having entered our school. Charles Dowler and Trennis Conder left us, but their places were taken by Bill James and John Hovis.

No change was made in our girls' volleyball team, but Warren Gaither came out for volleyball, while Leo Goolsby came out for basketball.

This year Sandy, Lecie, Fredia, and Judy joined the Librarians' Club, while Nora, Marvin, Blenda, Ann, Vernie, and Lecie chose the Pep Club.

The Science Club was organized during our sophomore year. Those joining from our class were Jimmy Abernathy, Kenny, Denver Beal, Leo, Charles Lemons, Patty, Harold, Darell, Ronnie Rea, Omar, Mike, Carroll, Don Dirck, Warren, Freida, and Sharon.

As ORMAZD queen candidate, our class chose Luiza Ross. Kenny Lambert was her escort.

Sharon Hinkle was chosen to make the annual sophomore citizenship pilgrimage to Jefferson City.

We chose Mr. Jackson as our sophomore class sponsor.

In the fall of 1962, 34 jolly juniors returned to Z.H.S., with Danny Duiphan as a new member. Sandy, Andrea Wiseman, Luiza, Janice Lingle, and Wynona did not return. Our eleventh grade sponsor was Mrs. DuVall.

Our class still participated in athletics. Bill James went out for basketball, while Ann and Blenda came out for volleyball.

Evanell, Nora, and Pat Griffet took chorus. The student body chose Freida as cheerleader. Evanell and Joan joined the Pep Club.

This year Dorothy and Judy made the Beta Club, while Ann, Vernie, and Lecie became members of the Audubon Club.

Bill James and Cathy Cato were married this winter.

Roy Shirrell, a junior, entered Zalma High as a new member of our class. We chose Lecie Howard as our candidate for ORMAZD queen while Bill James was selected to be her escort. Warren, Kenny, Omar, Bill, Shannon, Evanell, Nora, Ann, Judy, and Joan enrolled in the dramatics class. However, since the new gym was not finished, the class did not present a class play.

Evanell became Mrs. Stanley Cantrell in April and did not complete her junior year's work.

Perhaps on of the most memorable experiences of our junior year came when we received our class rings.

September 3, 1963, marked the beginning of the long awaited year. We were now the seniors of Z.H.S. Thirty-five members were present for enrollment on that day.

John, Jerry, Shannon, Mike, Blenda, and Judy were new members admitted to the Audubon Club. Patty, Sharon, Bill, Leo, Jerry, Mike, Shannon, and Marvin became new members of the Pep Club. Lecie was chosen by popular vote as a high school cheerleader. The Librarians Club acquired seven new members from our class--Don Dirck, Donald Rush, Blenda, Marvin, Joan, Vernie, and Ann. Jimmy Abernathy became a member of the Beta Club. Roy Shirrell went out for sports in joining the boys' volleyball and basketball teams. Charles Lemons also joined the latter.

Our class of '64 had several new "firsts." We were the first class to present our class plays, "Finders Creepers" and "Hillbilly Weddin'," in our new gym. Also we had the first basketball queen coronation there. Lecie Howard, senior candidate, reigned as Basketball Queen for the year of '63-'64, with Roy Shirrell as her escort. On January 20, 1964, Patricia Griffet of our class was crowned Queen of the ORMAZD, with John Hovis as her escort.

Nora Jean chose January 10, 1964, to become the wife of Tommy Kilburn. She was also chosen as Zalma's Homemaker of Tomorrow.

During our final year in high school, our "A" basketball team has made an enviable record for the school. They won first place trophies in the Qulin and Zalma tournaments and a third-place one in the O.H.S.C. Tournament played at Sedgewickville. As the regular season ended on February 15, our record was 24-2, and the regional tournament at Clarkton was yet to be played.

As our graduation date, May 21, 1964, draws near, most of us are eagerly anticipating our planned trip to New York and Washington, D.C., with our sponsors, Miss Piercey and Mr. Cato. But at the same time, we realize that it will bring to a close an eventful chapter in our lives. As each goes his separate way-- wherever it may be--he will carry with him the memories of his school days spent at good "ole" Z.H.S.

Last Will And Testament

We, the seniors of 1964 of Zalma High School, simple in mind and sick in body, do make this our last will and testament.
We bequeath as follows:

ARTICLE I. To the faculty--Memories of the best behaved class to graduate from Z.H.S.
ARTICLE II. To the juniors--Memories of the candy and soda machines.
ARTICLE III. To the sophomores--the well-worn path to the smoking area in the woods.
ARTICLE IV. To the freshmen--The cord that holds the math room door shut.
ARTICLE V. To the junior high classes--Anything we have not not willed to someone else if the item is still in usable condition.
ARTICLE VI. Each class member has also acquired an individual possession during the past four years which he wishes to dispose of as follows:

Jimmy Abernathy	His muscular physique to John Colbert.
Denver Beal	His typing skill to Mr. Howdeshell.
Darell Bohnsack	His cover girl complexion to Jeanie Kinnison.
Marvin Burger	His Romeo features to Rick Davie.
Shannon Cooper	His love for Ruth Hornbuckle to Wayne Baker.

Lecie Howard	Her ball suit to an antique store.
Bill James	His position as senior class president to some lucky junior.
Nora Kilburn	Her husband to absolutely nobody.
Kenny Lambert	His curls to Donna Smith.

Dear Connie,

I don't know exactly what to write. But I'll try to write this whole page! Ha!

I remember all the good times we've had together, and wish we could relive them. I remember when we went to Melanies bunking party. Boy what a time we had! I hope to have a friend as dear as you when you + I part. But I know noone could ever be as nice and sweet as you. You will always be one of the many persons who I will remember till the day when I don't remember anymore! Ha!

Honestly Connie, I don't think I could have picked a better friend! If I ever wanted anything or needed help you was always there.

Remember the time when I spent the week-end with you? Boy we had a bad! I just wish that when you come home with me over the week-end we can have as much fun. We only have 2 more years of high School but I hope we can be together after we leave Z. H. S. Maybe we can get a room at Cape and room together. Kid we have always been the best of friends and I hope we continue to be. I can't wait till I can date, then we can Double date! Ha!

You said for me to write a page, but I don't think I'm going to make it. I'll just say may God be with you and keep you.

A Loving Friend
